I Agree to the Following Terms:

- Pay Market loss charges on non-delivered gallons at the end of above contract period. (or)
- Pay adjusted price charges at the end of contract period for any diesel gallons delivered or picked up on other diesel products used instead of contracted product. (or)
- Forfeit gallons not used if market loss doesn't occur when contract period ends. (or)
- Extend contract period for 30 days due to seasonal weather affects
- Terms above are at the discretion of Farm Service Company

Initials

Payment:

- Buyer agrees to pay Seller .25 cents per gallon down at the time of signing. (May be non refundable)
- Contracts are only valid when received in Council Bluffs office with the deposit.

Title:

- Title and risk of loss of the fuel shall remain with Seller until physical delivery to Buyer's designated delivery point, whereupon it shall pass to the Buyer.

Default Provisions:

- Seller shall not be liable for loss due to delays or defaults in performance when suppliers or deliveries are interrupted or unavailable due to reasons beyond Seller's control. Reasons may be, but are not limited to, governmental actions, war, strikes, and acts of God. Also additional freight charges may be applied to the billing invoice if the normal pipeline distributions point is interrupted and a different delivery location for the fuel has to be used. This contract is null and void if our suppliers are unable to provide our contracted gallons for any reason.
