Date of contract \_\_\_\_\_

Account \_\_\_\_\_

Customer Name: \_\_\_\_\_

**Customer agrees to purchase and Farm Service Company agrees to  
sell/deliver \_\_\_\_\_ gallons of PROPANE at \$ \_\_\_\_\_.**

**Discounts:**

- No down payment

**Delivery:**

- Buyer agrees to use the contract of the above fuel in its entirety before purchasing open products.

**Market Loss:**

- Please calculate your gallons as accurately as possible. Market loss charges may be assessed to your account for any non-delivered gallons at the end of this contract period.
- **Contract delivery period to end May 31, 2011.**

**Payment:**

- All accounts must be current before delivery of additional product – contract void if account becomes non-current.

**Default Provisions:**

- Seller shall not be liable for loss due to delays or defaults in performance when suppliers or deliveries are interrupted or unavailable due to reasons beyond Seller's control. Reasons maybe, but are not limited to, governmental actions, war, strikes, and acts of God. Also additional freight charges maybe applied to the billing invoices if the normal pipeline distributions points are interrupted and a different delivery location must be used.
